(Dark Blue Inner
Layer)

Expertise of Ashirvad

Ashirvad, part of the global Aliaxis group is a leading Indian manufacturer of plastic fluid handling systems for homes, businesses, and industries. Founded in Bengaluru in 1998, Ashirvad employs over 16,000 people worldwide as a part of Aliaxis and is present in more than 45 countries.

Ashirvad produces a full range of advanced plumbing and agricultural piping systems, meeting international ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 standards.

Ashirvad Manhole & Inspection Chambers

Ashirvad is proud to introduce Ashirvad Manholes (PE) & Inspection Chambers (PP) for underground drainage engineered to European standard. A next-generation drainage system designed for modern infrastructure.

Manufactured as per EN 13598-2 : 2020, in state-of-the-art manufacturing facilities and designed to overcome challenges of conventional systems. Ashirvad manholes are designed and built to withstand demanding flow conditions while maintaining structural integrity. Available in diameters ranging from 315 mm to 1000 mm with different outlet arrangements these units simplify installation over conventional systems providing features like high-flow, self-cleaning designs with impact-resistant lids—ideal for efficient, hygienic sewage management

Applications

Private Townships

Individual House

Hotels / Hospitals Shopping malls

Institutions (Corporate / Educational)

Features

Anti-Rodent

Improved Visibility (Dark Blue Inner Layer)

Longer Life than RCC

Low Maintenance Cost

Benefits

Quick & Easy Installation

Hygienic & Safe

Robust & Resilient

Watertight

Recommendation

Use Ashirvad Manhole & inspection chamber for modern infrastructure projects seeking durable, hygienic, and easy-to-install underground drainage solutions.

Availability

Manholes

Diameter id (mm)	3 way/ 5 way	Inlet pipe dia (mm)	Outlet pipe dia (mm)	Height range* (mm)
500	5 way	Up to 160 mm	Up to 160 mm	500 - 1000
600	3 way	Up to 250 mm	Up to 315 mm	350 - 1250
	5 way	Up to 160 mm	Up to 160 mm	350 - 1250
800	3 way	Up to 250 mm	Up to 315 mm	1000 - 1500
	5 way	Up to 160 mm	Up to 160 mm	1000 - 1500
*1000	3 way	Up to 315 mm	Up to 315 mm	1250 - 6000
	5 way	Up to 200 mm	Up to 200 mm	1250 - 6000

Manual Entry/Steps available from dia. 800 and above.

Made as per European Standard BS EN 13598-2 : 2020

* Available only in 1250 mm height & 5 way.

Rest SKUs to be launched soon.

Inspection chambers

Chamber Size (mm)	Inlet/Outlet (mm)	No of outlets	Connections
